Effective 03/21/09 the R Wild Horse Ranch Board of Directors has adopted a new policy in regards to dogs being allowed at the stables. This addition does not change other polices in effect in regards to dogs on the ranch. All other rules and polices still apply.

Dogs are not allowed at the stables at anytime. Allowing dogs at the stables increases liability to riders and horses regardless of size and or behavior of the dog. Owners may walk their dogs in approved areas outside of the main cabin areas. Owners may also board the dogs in approved areas of the ranch.
